

List of Nintendo Switch games

This is a **list of games for the Nintendo Switch**. The Switch supports both physical and digital games. Physical games are sold on cartridges that slot into the Switch Console unit^[1] Digital games are purchased through the Nintendo eShop and stored either in the Switch's internal 32GB of storage or on a microSDXC card.^[2] The Switch does not have any regional lockout features, freely allowing games from any region to be played on any system.^[3] Despite its portable nature, retail games for the Switch usually sell at a standard console MSRP listing price of US\$60/GB£50.^[4]

See *Arcade Archives* and *Sega Ages* for a list of the emulated games under those brands that have been released on the Switch.

Games list

There are currently**1272** games included in the list.
